About OCO

Funds from this year's event will be used to continue operations at OCO's Runaway and Homeless Youth Shelter. Last year, OCO provided crisis intervention, food, clothing, emergency shelter, housing, health care, job training, education, transportation and family support services to more than 30,000 people within Oswego County. Money raised through pledges helps to fill the gaps where traditional government funding is not enough to meet the need of those who are struggling to feed, clothe and house their families.

Your donations have been used in the past to help . . .

- Provide healthcare to uninsured individuals who otherwise could not afford to go to a doctor
- Provide positive recreational activities to at-risk young people in the Youth Drop-in Centers
- Purchase furniture for adults with developmental disabilities
- Provide field trips for day care and school age children
- Provide door-to-door transportation services for the elderly
- Provide free, nutritious meals to individuals in need throughout the year.

OCO is a not-for-profit Community Action Agency, supported by United Way, and provides Residential Services, Health & Nutrition services, and Community Services, which include Education, Transportation, and Crisis & Development services, throughout the Oswego County area.. For more information visit our web site at www.oco.org.

Ways To Raise

1. **Show your commitment** to the cause by making the first donation, yourself!
Fill in your donation information at the top of your sponsorship form, for all to see.
2. **Ask!** It sounds simple, but it works!
People want to make a difference. When you ask them to donate, you're helping them to do just that.
3. **Tell others why you are supporting this event** and ask "How much can I count on from you?"
Use the information at the top of this page to show how OCO is helping the community in so many ways.
4. **Company Match** - Check with your corporate giving department to see if your company will match your donations.
5. **Many small donations add up quickly** - Write down the names of as many people as you can think of: friends, neighbors, coworkers, family members, etc. Now ask each of them to sponsor you for \$5.
