

Youth & Family Services
Back Street Books & Bistro

Volunteer Bookstore/Bistro Clerk

Location: BackStreet Books and Bistro - Fulton
Corner Oneida and Route 481
(Oneida and South Second St.)

Backstreet Books is seeking volunteers to assist in our not-for-profit, human services environment. Volunteers will assist customers, run the cash register, ensure customers are made to feel welcome and make sure the store is tidy. Processing incoming books and entering information into the computer may be an additional task for those interested.

Other Information: BackStreet Books and Bistro is a program of OCO. We are a not-for-profit program which provides a training environment for work skills in a variety of areas including youth, special needs populations and job experience training for those new to the work environment. We are seeking volunteers to help provide coverage at the bookstore when programming is not occurring, in order to preserve the store as a resource for programming.

Volunteer hours according to store needs and volunteer's availability:

We can cater to your schedule! We can schedule you as frequently/regularly as you would like, or as infrequently as once per month, depending on your needs and availability.

Contact Ann Clark, Bookstore Manager for more information at 598-5669
