

Insurance & Payment Information at OCO Health Centers

OCO Health Centers participate with many insurance companies and all co-payments are expected at time of services. If your insurance carrier is not listed, feel free to call our office to confirm, otherwise payment is expected at time of service. As a courtesy, we will be happy to bill your insurance.

For self-pay patients, we offer a Sliding Fee Program which pays for a portion of your medical bills. Eligibility is based on income. We have an onsite enroller for Family Planning Benefit Program (FPBP). Services will not be denied if a person is unable to pay.
