

Insurance & Payment Information

OCO Centers for Reproductive Health participate with many insurance companies and 3rd party admins for self-funded plans. As a courtesy, we will be happy to bill your insurance but your co-payment is expected at time of services. If your insurance carrier is not listed, please call our office to confirm we participate. Otherwise full payment will be expected that day.

For self-pay patients, we offer a Sliding Fee program. If eligible, this pays for a portion of your medical bills (income based eligibility). There is also an onsite enroller for the Family Planning Benefit Program (FPBP). Services will never be denied if a person is unable to pay.
