We are excited and hopeful for nice weather. We hope you all enjoyed your Spring Break. We will continue to work on learning more letters, letter sounds and motions using Zoo Phonics. We will also be working on counting, recognizing and beginning to write numbers as well.

With the nice weather we will be going out every day. We do go out at 9:30am so please make sure your child has a warm coat for those chilly mornings. It was nice meeting with you to discuss your child's progress. We will be working on independence for all students but especially for those students who will be going to kindergarten next year, for example putting on and zipping their coats. I look forward to seeing how much they will grow and learn this last quarter.

Please make sure to look at the calendar for important dates and information. Thank you for your support and involvement in your child's learning!

5 Green and Speckled Frogs

5 green and speckled frogs sat on a speckled log,
eating the most delish bugs! Yum yum!
One jumped into the pool, where it was nice and cool.
Now there are 4 green speckled frogs.

4 green and speckled frogs..... continue until you count
down to zero.

End with, now there are no green speckled frogs, glub
glub!

Go outside and look for signs of Spring!

A bumblebee a worm
