# News from the Fairgrieve Classroom

It is hard to believe it is June and that we are wrapping up the last few weeks of school. It has been a pleasure getting to know you and your families and we have loved having your child in our class.

We had many exciting things happen in May. We completed the Habitat domain, saw how caterpillars turn into butterflies, and, watched them fly away. Planted vegetable seeds and watched our Pumpkins grow.

June is a busy month for us as well. We continue to work hard to prepare your child for the transition from Pre-K to Kindergarten. We will tour in a typical kindergarten classroom and talk to the K teachers. We have a field trip on the 15<sup>th</sup> to Rice Creek, and our end of year: "Pirates Beach Ice- Cream Social" is on 6/16. The last week is all early dismissal 6/22-25, with our last day on the 25<sup>th</sup>. Thank you for trusting us with your most precious gifts.....
