WG = Whole Grain

This Institution is an Equal Opportunity Provider

* Allergen information for menu items is available. Ask an employee for details.

** Check foods closely for nut oils: Breads, cereals, crackers, muffins, salad dressings, dips, sauces etc.

North Shore Head Start June 2026

Wow! Where did the year go? We blinked and the year is done. We've learned our ABC's, counting, shapes and colors. We've learned how to share and trade toys. We also learned how to use our words when we get upset. We've made lots of friends and had lots of laughs.

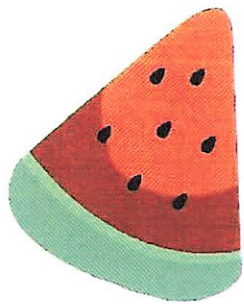

During the summer you will still have access to Khan Academy. Please take advantage of this and help keep there skills current.

For the whole month of June you will still be able to submit InKind! So keep on rocking the in-kind til the end of June., and lets see if we can get the number 1 slot.

We had many talks about transitioning to the big school, had tray days to practice walking in the cafeteria, reading books and even the Kindergardneers took a field trip to A. A. Cole.

To all the families: THANK YOU for everything that you have done this year. From volunteering in the classroom, reading books, doing activities for the staff at home. We couldn't have gotten through the year with out you.

Have a great and fun filled
summer!

Ashley, Rachel & Trish

FAMILY NEWS

Hello Families,

WE DID IT! We made it to June! This is a very exciting and bittersweet month. A lot of our kiddos are moving on to kindergarten or UPK. Our time with each family has been such a joy and a year of growth! I would like to thank all the parents/guardians and extended family members for helping their little loved ones have such a successful year at Head Start. I am also thankful to everyone who participated and continued to show up to events and parent Connection/activities and policy council. You are all greatly appreciated! We hope you have enjoyed your year with us, and we wish you the best summer! Looking forward to seeing our returners in the fall!

P.S. Don't forget to visit us occasionally 😊

Some fun important things coming up this month:

6/2 - Macramé flower craft.

6/8 - Macramé Gnome craft.

6/12 - Last Day of class.

*I am still taking applications for next school year. Please share and spread the word to your friends and family. Even to those who have toddlers! If they turn 3 on or before December 1st.

Always Your Family Specialist,

Jeremy ❤️

*Each month we will have a family appreciation page in the newsletter. This will appreciate the families of the children whose special days will be in that month. Special days aren't always on or near their actual birthdays, although we try to schedule them as close as possible.
